Class of 2023, where do we start? As your class advisors, we have had the true pleasure of watching you grow, mature, learn a lot, and excel during these past 4 years. Your time in high school will be years you'll never forget, from a world-changing freshman year to constantly adjusting to new learning styles to regaining a sense of what a senior year should really look like! Ultimately, however, these experiences have only better prepared you to be more flexible in your shops, innovative in your classrooms, and appreciative of the human connections around you. We are so proud of the strong, resilient, intelligent, and creative people you've become, and it has been an honor working with you on your high school journeys! We can't wait to see what's ahead for all of you!

-Ms. Duquette and Ms. Raymond

Mr. Cloutier

Principal

The Yearbook Committee would like to dedicate this yearbook to Mr. Clifford Cloutier who is retiring at the end of the school year. Mr. Cloutier has been a staple of this school for more than 40 years starting here as a student, then a part-time employee during college, and finally a full-time employee after college. He has worn many hats during his years and has done his best for the students and faculty of Bay Path. Mr. Cloutier, we wish you the very best on your retirement. You will be missed and your legacy will live on in the halls of Bay Path. Schoooooooooool's dismissed!

STORY OF THE YEAR

WAR IN UKRAINE

More than seven months after Russia invaded Ukraine, just days after Russia annexed parts of eastern and southern Ukraine, a blast attributed to Ukraine destroyed sections of a bridge connecting Russia to Crimea. In retaliation, Moscow missiles assaulted civilians in the heart of Kyiv and almost a dozen other cities, as the war in Ukraine raged on.

The war created shock waves that impacted the U.S. economy with fuel and grain shortages, increasing inflation and decreasing economic growth. U.S. tensions with Russia mounted as the U.S. imposed sanctions on Russia and the Chinese-Russian alliance solidified.

HEADLINES

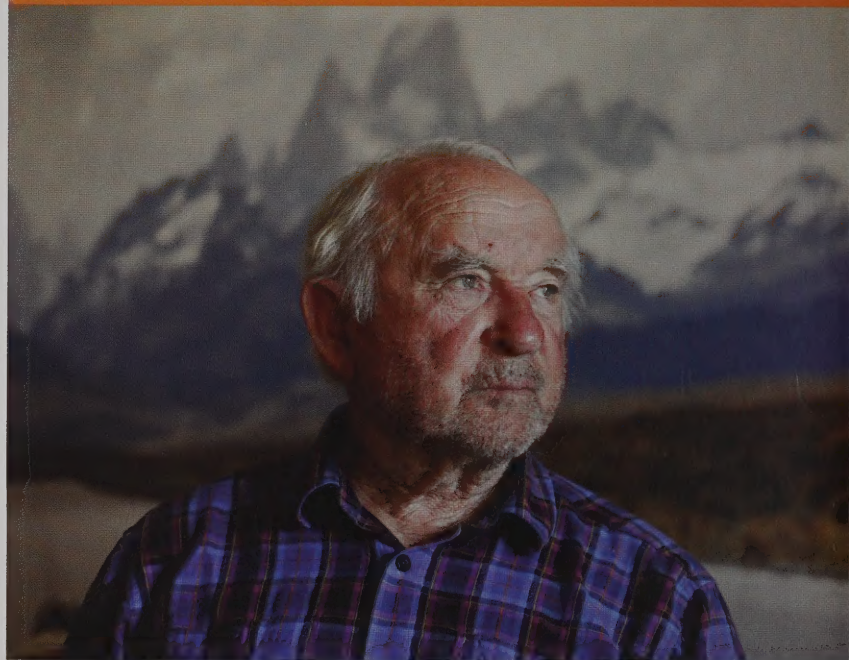

POLICING POLIO

After polio paralyzed an unvaccinated New York man and the polio virus was discovered in wastewater in three counties, Kathy Hochul, New York governor, declared a state of emergency on September 9, 2022, to urge vaccinations. Once thought to be eliminated from the United States, the virus can cause paralysis and even death. The threat of polio followed a recent outbreak of the mpox virus.

FRIEND OF THE ENVIRONMENT

Patagonia, the outdoor gear company, captured attention in September 2022 when the company's founder and owner, Yvon Chouinard, transferred ownership of his family business to a trust and nonprofit dedicated to saving the planet. Chouinard's move will likely bring \$100 million a year to combating climate change and preserving the planet.

QUEEN ELIZABETH II

After reigning 70 years as England's longest-serving monarch, Queen Elizabeth II died, leaving her son Prince Charles, age 73, to be king. Elizabeth became queen at age 25 and was crowned at age 27 in 1952. Her reign encompassed the leadership of 15 British prime ministers and decades of change, including England's transition from empire to commonwealth, the Cold War, and Britain joining – then exiting – the European Union.

SERVING THE COURT

On June 29, 2022, Judge Ketanji Brown Jackson, age 51, was sworn in as the first African American woman appointed to the Supreme Court in the 232 years since it was established. Serving as the 116th justice on the court, the Harvard College and Harvard Law School graduate was recognized for her knowledge of criminal law.

RELAXED REGULATIONS

In August 2022, after more than one million COVID-19 related deaths and two years of COVID-19 guidelines set by the Centers for Disease Control and Prevention, many schools and businesses ended contact tracing and stopped requiring unvaccinated people exposed to the virus to quarantine.

TAKEN BY STORM

Hurricane Ian buffeted Fort Myers, Florida on September 28, 2022, with torrential 150-mph winds and rain that destroyed homes and businesses across the state. The rare Category 4 hurricane and its storm surge took more than 100 lives, resulting in an estimated \$57 billion in losses.

GEN Z VOTES

Gen Z showed up in the second-highest youth turnout rate for a midterm election in the last 30 years. Exit polls revealed that 27% of Americans ages 18–29 cast a ballot. Two-thirds of young voters voted for Democrats for the House of Representatives, compared to the majority of 45- to 65-year-olds, who voted Republican. 2022 was the first time Gen Z could run for Congress and Maxwell Frost, 25, was the first Gen Zer elected as House Representative.

QUIET QUITTING

More than two years after COVID-19 brought the world workforce to a halt, a growing number of Americans bristled at spending time at unsatisfying jobs. Dubbed "The Great Resignation," workers quit jobs in unprecedented numbers, with 4.2 million quitting in July 2022 alone. Even professions like teaching saw increased departures. By September, a poll showed that 33% of workers were contemplating leaving their jobs, while 60% were rethinking their careers. Others, especially Gen Zers, joined the TikTok trend, #quietquitting, by refusing to go above and beyond or subscribe to a hustle culture.

WALK IT OUT

Through a study of more than 6,000 adults, Vanderbilt University discovered that walking at least 8,200 steps a day lowered obesity, depression and sleep apnea. Walking also lowered the risk of developing type 2 diabetes, high blood pressure, dementia and death from cancer and heart disease. A speed of just under three miles per hour increased these benefits, and 11,000 steps a day was linked to reducing obesity.

THE SHOE DROPS

Adidas dissolved its partnership with Kanye West and his sneaker brand, Yeezys, after the superstar, who changed his name to Ye, made repeated anti-Semitic and anti-Black statements publicly in October 2022. Yeezys, which cost between \$160 and \$300, were renowned for breaking into the Nike Air Jordan-dominated footwear sector, driving it to become a multi-billion dollar industry.

A NEW KIND OF PROTEST

Edvard Munch's famous painting *The Scream* found a new reason to scream in November 2022, when a group of Norwegian climate protesters attempted to glue themselves to the iconic work. The attack became the fifth in a series of filmed staged assaults on museum masterpieces, including throwing soup and mashed potatoes at works by Van Gogh and Picasso in museums in London, Germany, Italy and Australia.

FLY ME TO THE MOON

NASA's Artemis 1 Orion spacecraft returned to Earth on December 11, 2022, having traveled more than 1.4 million miles on a path around the moon. During the record-breaking flight test on December 28, 2022, Orion set a new record of 270,000 miles for the farthest distance from Earth a spacecraft designed to carry humans has ever traveled.

A FIRST FOR FEMALES

The United States Mint released its first five quarters to honor women as part of a four-year American Women Quarters series. The Secretary of the Treasury selected five trailblazers from recommendations submitted by the public through the National Women's History Museum. The first five selected were Maya Angelou, Dr. Sally Ride, Wilma Mankiller, Nina Otero-Warren and Anna Mae Wong. The program aimed to honor notable women from diverse backgrounds on the flip side of quarters and feature a likeness of George Washington different from his image used in previous quarter programs.

SPORTS

SO LONG, NO. 6

On August 11, 2022, just ten days after Bill Russell's death, the National Basketball Association (NBA) announced the retirement of the No. 6 jersey across the league – just the third player behind Jackie Robinson (baseball) and Wayne Gretzky (hockey) to be honored league wide. Standing 6'10" tall, Bill Russell sported the No. 6 as he drove the Boston Celtics to NBA history starting in 1959, with an unprecedented nine NBA championships as a player and two as the first African American head coach in any major American sports league.

ACES ON THE COURT

The Women's National Basketball Association (WNBA) season wrapped up its championship finals with the Las Vegas Aces winning their first-ever title against the Connecticut Sun. Chelsea Gray was named MVP of the finals, with an average 18.3 points, shooting 58% from the field.

GO SPEED RACER

38-year-old Joey Logano won his second National Association for Stock Car Auto Racing (NASCAR) Cup Series title in a 312-mile race in which he bested the other three championship drivers on every green-flag lap except one. Team owner Roger Penske celebrated a lifetime goal of sponsoring a team that finally won the IndyCar and NASCAR Cup Series titles in the same year.

LIV GOES LIVE

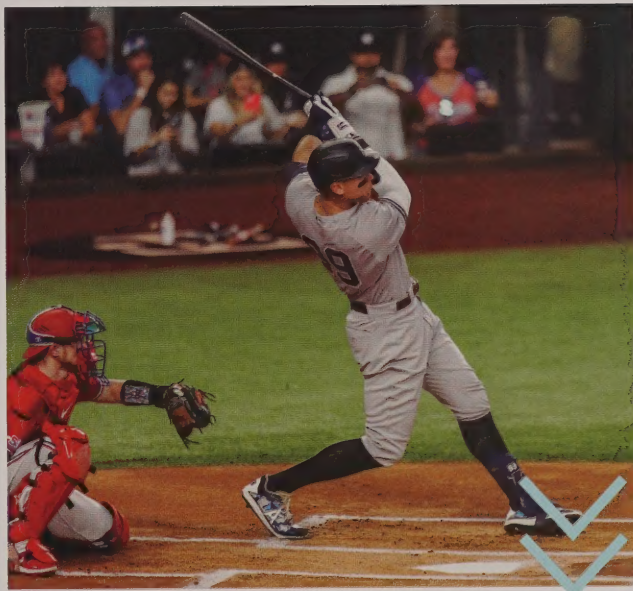

The Professional Golfers' Association (PGA), established in 1929, found competition in the form of a controversial new golf league, LIV*, headed up by CEO and two-time PGA champ Greg Norman. With a record-breaking \$25 million purse at the first event in June, several top names, including Dustin Johnson, Phil Mickelson and Sergio Garcia, teed up in London.

*LIV is Roman numerals for 54, the score if every hole on a par-72 course were birdied.

LEGENDS LEAVE

2022 saw the retirement of two legendary women's basketball players. Sylvia Fowles, 36, played for 15 seasons, won four Olympic gold medals and earned two Women's National Basketball Association (WNBA) titles with the Minnesota Lynx. Sue Bird, 41, played for 20 seasons in 500 career games with the Seattle Storm, won four championships in three different decades, appeared in a record 12 All-Star games and earned five Olympic gold medals.

JUDGE MAKES RECORD

New York Yankees outfielder Aaron Judge made history on October 4 with his 62nd home run of the season against the Texas Rangers. The new American League record, previously held by Roger Maris for 61 years, was only exceeded by Barry Bonds, Mark McGwire and Sammy Sosa.

SPORTS

GOOD TO HAVE GOALS

Fandom for World Cup soccer spread like wildfire in 2022, as the United States Men's National Soccer Team qualified for its first World Cup appearance in more than eight years. In the stunning finals, France's 23-year-old phenom Kylian Mbappé scored three goals to come back and tie Argentina, forcing the match into overtime and ultimately penalty kicks. Argentina won 4-2. Lionel Messi scored twice to tie Raul Gonzalez's career record of 71 Champions League goals.

SERENA MOVES ON

Serena Williams announced her retirement from tennis in a *Vogue* magazine cover story. Williams won 23 Grand Slam singles titles and was ranked the No. 1 player in the world for 319 weeks during her 23-year career. At 40, Williams turned her full attention to her family and other career ventures.

DAMAR HAMLIN

Buffalo Bills safety Damar Hamlin suffered a cardiac arrest following a routine tackle in a game against the Cincinnati Bengals. Hamlin's heartbeat was restored on the field before he was transferred to a hospital and discharged nine days later. This was the first game in NFL history to be suspended due to an injury.

PICKLEBALL, Y'ALL

The fastest-growing leisure sport in America, pickleball proudly boasted 4.8 million players, called “picklers,” who took to the courts in 2022 with plastic Wiffle-style balls and paddles to play singles or doubles. The sport found favor first among older Americans but recently skyrocketed in popularity among the under-24 crowd. Played standing or in a wheelchair, pickleball is highly accessible, with more than 38,000 venues and an app (Pickleball+) to locate indoor and outdoor courts.

MATCH POINT

At age 41, Swiss tennis legend Roger Federer announced his retirement after 24 years. In his final game – a doubles match – he partnered with long-time rival Rafael Nadal. Federer played more than 1,500 matches, was ranked number one for 310 weeks, scored 103 singles titles, and earned the one-time record title of 20 Grand Slam singles titles.

SWING KINGS

The Houston Astros celebrated wildly when they beat the Philadelphia Phillies and clinched their second World Series title since 2017. The Phillies were up two games to one in the series, but the Astros surged ahead with three straight wins and took game six – and the title – with a four-to-one victory on their home field.

GOOOOAAAALLLS!

The two top-seeded Major League Soccer (MLS) clubs went toe to toe in the MLS championship game on November 5, and two late goals scored in the final minutes of extra time resulted in a penalty-kick showdown. The Los Angeles Football club (LAFC) beat the Philadelphia Union after a 3–3 draw. Adding to the drama, goalkeeper John McCarthy, playing against his former team, shut out the Union in a 3–0 penalty kick shootout.

ENTERTAINMENT

FLUTE AND FLOURISH

In October 2022, hip hop artist and classically trained flutist Lizzo accepted a Library of Congress invitation to perform at her Washington, D.C. concert with a 200-year-old crystal flute. The rare instrument belonged to James Madison, the fourth President of the United States, had survived a devastating fire and had never been played.

FAN FLURRY

A September 2022 sneak peek of Disney's live-action adaptation of *The Little Mermaid*, originally a 1989 animated movie, brought a flurry of reactions about Halle Bailey starring as Ariel, the lead character. The trailer was viewed more than 100 million times in the first week, as Bailey, an African American actress and R&B singer, inspired the social media hashtag #representationmatters.

FIND YOUR VOICE

After 12 years and 22 seasons of *The Voice*, original judge Blake Shelton announced that season 23 would be his last. John Legend announced that he would be taking the season off to focus on family, his new album and touring. With Gwen Stefani and Camila Cabello stepping aside, Kelly Clarkson would be returning with new judges Niall Horan and Chance the Rapper, alongside Shelton for his final season in 2023.

BLACK PANTHER FOREVER

Letitia Wright filled big shoes as the new superhero to the sequel of the 2018 smash Marvel film starring Chadwick Boseman as T'Challa, the King of Wakanda. The *Black Panther: Wakanda Forever* storyline follows T'Challa's little sister, Shuri, played by Wright, as she matures into the hero doing battle with the ancient ruler and villain Namor, played by Tenoch Huerta. *Black Panther: Wakanda Forever* reeled in a record-breaking \$180 million on its opening weekend in November 2022.

NOT-SO-SWIFT SALES

Taylor Swift's 10th album, *Midnights*, debuted to record-breaking sales. Swift continued to be the top American Music Awards winner, adding six awards to bring her total to 40, but it was "The Eras Tour" ticket sales that rocked headlines. In November 2022, Ticketmaster opened up sales with presale codes and a waitlist for Swifties not lucky enough to score a code, but the system crashed with 3.5 billion requests, and public ticket sales were canceled.

KPOP? OKAY!

With the success of bands like BTS and TWICE, it was only a matter of time before K-Pop made Broadway. The South Korean cultural phenomenon hit the stage in *KPOP*, a musical featuring a girl band, RTMIS, and a boy band, F8. The documentary-style story with flashbacks showed the sacrifices performers make to achieve stardom.

TECH & TRENDS

ENCHANTED BY *ENCANTO*

Disney released *Encanto* in 2021, but echoes of the movie featuring the Madrigals, a Colombian family, swelled in 2022. "We Don't Talk About Bruno" spent three months on Billboard's Hot 100 list and officially became the biggest Disney song of all time. The animated movie was celebrated for representing Latin family and community values authentically and positively.

TWEET DEAL

Elon Musk, chief executive officer of SpaceX and Tesla, became the new owner of Twitter in October, almost six months after he first offered \$44 billion to take control of the social media site. After firing Twitter's chief executive and chief financial officer and hundreds of employees, Musk made the company private and loosened the platform's content moderation in pursuit of publishing "widely diverse viewpoints."

IT'S A WRAP(AROUND)

Wraparound sunglasses, the formerly mocked eyewear, made a resurgence after Kim Kardashian posted photos of herself in the curved lenses on her Instagram. The Balenciaga Swift Oval shades that Kardashian wore to the Vanity Fair Oscars after-party cost \$490, but look-alikes were available online for less than \$13.

HARRY'S HOUSE

Harry's House was the title of Harry Styles' album, released in May 2022, but it also became the nickname for Madison Square Garden after the singer performed 15 shows for his "Love On Tour" residency in New York City. The tour went global as his single "As It Was" reached number one on Billboard charts. Fans of Styles, known as Stylers, paid between \$110 and \$384 for tickets to see the former One Direction singer perform live.

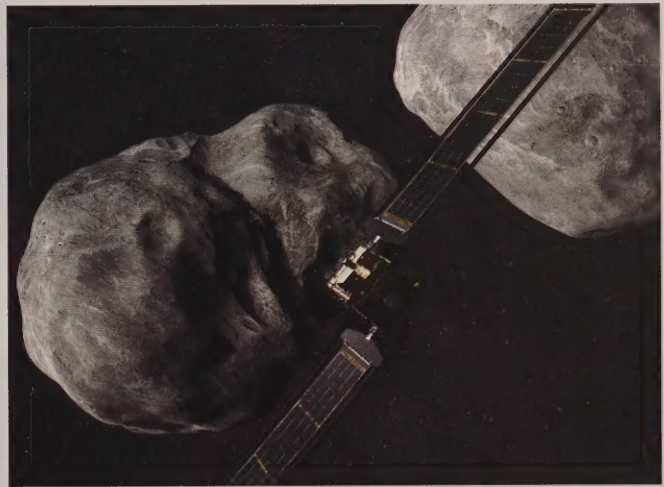

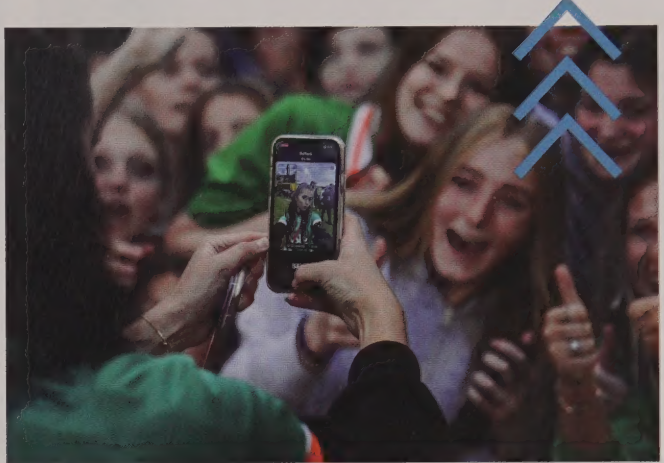

988 FOR LIFE

A blitz of posters, stickers and social media morphed 988 into a lifeline for more than 152,000 callers in August 2022, just a few weeks after the number was activated. The emergency mental health support line, which also offered support via texting, averaged 45-second response times, almost two minutes faster than the previous number, 1-800-273-8255.

TIME TO BeREAL

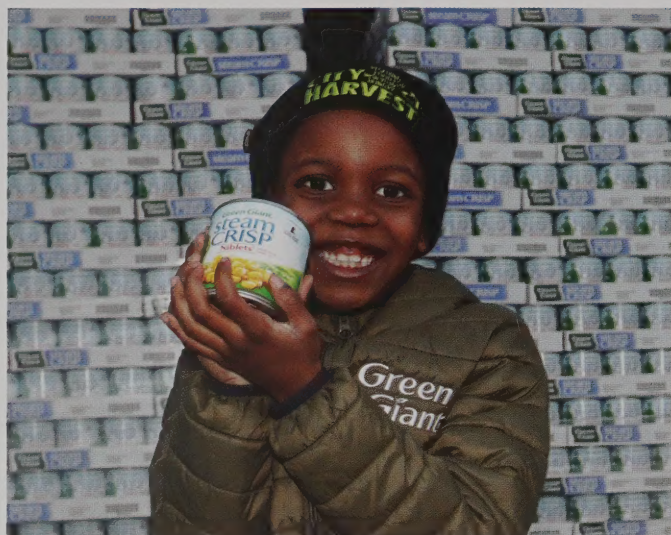

The trendiest app of the year set out to counter social media norms of edited, perfect posts and social comparisons. BeReal challenged users to snap a real-time photo (using front and back-facing cameras) and post it unedited when prompted by a random daily push notification. Users had two minutes to post whatever they were doing in real time. If they missed the time, their post was marked "late" to keep the post honest.

CRASH TEST

It was a real-life climactic scene straight out of an apocalyptic movie. On September 26, 2022, NASA purposely crashed a spacecraft into an asteroid to change its trajectory and test a defense against potential cosmic collisions with Earth. They planned to consult photos from the Hubble and Webb Telescopes to chart the trajectory over time.

TECH & TRENDS

CORNTASTIC

A 7-year-old New York City child went viral on TikTok and Instagram in late August 2022 when asked his thoughts about corn. "It's corn!" Tariq exclaimed. "I can't imagine a more beautiful thing!" His wholesome words blossomed into the anthem of the summer when they were autotuned into a catchy song on YouTube. The fall saw Tariq partnering with Green Giant to donate 90,000 cans of vegetables, as well as appearing in a Chipotle ad.
